

Vernon Grigg Has the Neighborhood Values We Share...

Homeowner & Parent

Vernon's parents were public school teachers who taught him the importance of education, commitment, hard work and community. He and his wife, Denise are homeowners dedicated to passing these core values on to their two young daughters who will soon be attending neighborhood public schools.

Prosecutor and Public Servant

As a San Francisco Prosecutor, Vernon successfully prosecuted pedestrian safety crimes, murders and white collar crimes to make our streets and neighborhoods safer. He has served the City on the Human Rights and Housing Commissions and the Drug Abuse Advisory Board.

Real World Experience

As a small business owner who has managed employees and balanced budgets, Vernon understands the importance of fiscal responsibility and the need for real accountability at City Hall.

Supervisor Fiona Ma supports Vernon Grigg for Supervisor (RCV2)

"Vernon is the best choice for Supervisor. He has the experience as a former prosecutor, homeowner, parent, and small business owner that we need on the Board of Supervisors."
