NEIGHBORHOOD VALUES • CITY EXPERIENCE

Homeowner and Parent

Both of Vernon’s parents were public school teachers who taught him the importance of education, commitment, hard work and community. He and his wife, Denise, are homeowners dedicated to passing these core values on to their two young daughters.

Quality Education

Vernon will work to improve neighborhood schools because he understands the integral role they play in building and maintaining our community. He attended neighborhood public schools and earned an academic scholarship to attend the University of Michigan where he graduated with honors. Vernon then attended the London School of Economics and graduated from Yale Law School.

Prosecutor and Public Servant

After practicing with one of San Francisco’s top law firms, Vernon joined the District Attorney’s Office as a prosecutor where he worked to fight crime and keep our streets safe. He successfully tried crimes from misdemeanors to homicides, including a pedestrian fatality case, and rose through the ranks to Managing Attorney. Vernon also served on the Human Rights and Housing Commissions and Drug Abuse Advisory Board.

Real World Experience

Vernon has the real world experience we need on the Board of Supervisors. As a small business owner, managing a successful law practice, Vernon understands first hand the challenges faced by local businesses owners. This experience has convinced him that fiscal discipline and accountability are crucial to our City’s future.
